TO WHOMSOEVER CONCERNED

The products manufactured by Agew Steel Mfrs. Pvt. Ltd., OUTSIDE GOMTIPUR GATE, NEAR AMRAPALI CINEMA, AHMEDABAD G-380021, INDIA, namely, Fire Doors and Door & Window Frames, as covered in their copies of the Follow-Up Services Procedures, having File Numbers R16726, Vol. 3 & R20745, Vol. 1, have been tested as per the applicable UL Standards (UL10B, Standards for Fire Doors), and have been Certified by UL Inc., USA. The necessary Follow-Up Services Inspection has been established, and that our UL-India Inspectors are performing the periodic, unannounced, surprised, Inspections on a Quarterly basis at their Works.

Further, the fact that they are a UL Certified Fire Doors and Door & Window Frames Manufacturer is already included in UL's Listing Information Service (LIS), which can be viewed in our website, "www.ul.com", under "Certifications". To view this, the User has to give the File Number/Company Name, and the applicable Category Control Number (CCN) (namely, "GSYX" and "GVTV), which are all given in the Authorization Page of the Follow-Up Services Procedures available with the Manufacturer.
